

ADVERTISEMENT FOR BIDS

Sealed Bids for construction of Headworks and Digester Improvements, addressed to Aspen Consolidated Sanitation District, 400 Service Center Road, Aspen, Colorado 81611, will be received at the Wastewater Treatment Facility of the Aspen Consolidated Sanitation District, (Owner), until 12:00 p.m., local time, on the 3rd day of December, 2015. Any Bids received after the specified time will not be considered.

Bids will then be publicly opened at 2:00 p.m. and read.

The Project contemplated consists of:

1. Headworks:
 - a. Install one new step screen with 3 mm openings, plus all appurtenances needed to install a second step screen.
 - b. Relocate existing 6 mm step screen in existing channel.
 - c. Addition of a new screen channel.
 - d. Install a new influent Parshall Flume.
 - e. Raise portions of the existing working floor in the screening room.
 - f. Modify the existing Headworks Building by raising the roof of the existing dumpster room, removing portions of the wall between the screening and dumpster rooms, and relocating the south exterior dumpster room wall to house the new screen channel and equipment.
 - g. Replace the existing screenings washing and compaction system with redundant systems to serve all three screens.
 - h. Replace existing HVAC systems to provide adequate heating and ventilation for the new combined headworks room.
 - i. Extend an existing trench drain to a new sump and install an Owner-furnished sump pump in the new sump.
2. Aerobic Digesters:
 - a. Replace the existing coarse bubble digester aeration system with a jet aeration system combining hydraulic mixing with process aeration.
 - b. Install a two-story Digester Building Addition to house the jet-aeration system mixing pumps and aeration blowers.

The Work will be completed in all respects within 480 calendar days from the date when the Contract Times commence to run.

Bidding Documents may be examined in Owner's office, Aspen Consolidated Sanitation District, 400 Service Center Road, Aspen, Colorado 81611, or at Engineer's office, CH2M HILL, 9189 S. Jamaica Street, Englewood, Colorado 80112. Bidding Documents may be obtained from Engineer.

Each Bid must be submitted on the prescribed Bid Form and accompanied by Bid security as prescribed in the Instructions to Bidders.

The Successful Bidder will be required to furnish the additional bond(s) and insurance prescribed in the Bidding Documents.

In order to perform public work, the Bidder and Subcontractors prior to award of contract shall hold or obtain such licenses as required by State Statutes, and federal and local Laws and Regulations.

Contractors interested in bidding will be required to prequalify by obtaining the Contractor's Prequalification Form through Engineer. Completed prequalification documents will be received at the office of the Aspen Consolidated Sanitation District, (Owner), until 12:00 p.m., local time, on the 30th day of September, 2015. Owner will evaluate submitted information and notify prequalified contractors prior to bidding. Bids from non-prequalified Bidders will be returned unopened.

For information concerning the proposed Work, contact the Engineer representative Mr. Matt Krumholz, telephone: (720) 286-2747.

For an appointment to visit the Site, contact the Owner representative Mr. Nathan Nelson, telephone: (970) 925-7262.

Attendance at a prebid conference will be a mandatory requirement of submitting a Bid for this Project. Refer to Instructions to Bidders for additional information.

Owner's right is reserved to reject all Bids or any Bid not conforming to the intent and purpose of the Bidding Documents.

Dated this 8th day of September, 2015.

Aspen Consolidated Sanitation District
