

## ACSD – Aspen’s Water Reclamation District

**Excellent Opportunity to Live and Work in Aspen** – Operator position available with generous salary and benefit package including in-town Aspen housing.

Are you looking for a long-term position where you like coming to work? We are looking for a team player who appreciates working with a great group of people, supportive management and a proven history of longevity and employee satisfaction.

Our approach is to either hire a degreed Operator/Lab technician with Class A or B Wastewater Certification OR a motivated individual with a related background and a desire to be trained in Operations.

What we do – our staff of certified operators and technicians use physical, biological and chemical processes to treat wastewater from homes and businesses to a level of water quality equal to the Roaring Fork River.

What you would do – help the overall operations, maintenance, lab work and special projects of the water reclamation facility.

**Position 1** – Operator with a Class A or B Wastewater Certification and an educational background in Biology, Chemistry or Environmental Science

Starting Salary - \$75,000 - \$85,000 DOQ

Salary Range - \$75,000 - \$95,000

**Position 2** – Operator Trainee – Train to become an operator if you have related experience and are willing to attend short schools and pass certification exams along with obtaining your Class B CDL

Starting Salary - \$50,000 - \$65,000 DOQ

Salary Range - \$50,000 - \$75,000

Work Schedule – 40-hour work week to include weekends, holidays and on-call shifts

**Benefit package includes:** 1 or 2 Bedroom In-town Apartment rental, Health, Dental, Vision Insurance and participation in a 401(k)-retirement plan with a generous match. Excellent training and professional growth opportunities.
